State of New Hampshire

To the inhabitants of the town of Haverhill qualified to vote in town affairs:—

You are hereby notified to meet at the town hall in said town on Tuesday, the 13th day of March, 1923, at ten of the clock in the forenoon, to act on the following matters:—

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners, and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To raise and appropriate money for the support of the poor.

Article 5. To raise and appropriate money for the construction of state trunk line roads.

Article 6. To raise and appropriate money for maintenance of state trunk line roads.

Article 7. To raise and appropriate money for the construction of state aid roads.

Article 8. To raise and appropriate money for maintenance of state aid roads.

Article 9. To raise and appropriate money for removal of snow on trunk line and state aid roads.

Article 10. To raise and appropriate money for laying out, building and repairing highways and bridges.

Article 11. To raise and appropriate money to pay interest and principal of outstanding town notes.

Article 12. To authorize the selectmen to issue interest-bearing orders or notes to provide for current town expenses in anticipation of taxes, and for the expenses incident to the rebuilding of the Woodsville-Wells River bridge; such notes or orders to mature not later than July 1, 1924.

Article 13. To raise and appropriate money for town libraries.

Article 14. To raise and appropriate money for Memorial Day.

Article 15. To raise and appropriate money for cemetaries in said town, and pass any vote relating thereto.

Article 16. To raise and appropriate money for the support of the Cottage Hospital.

Article 17. To raise and appropriate money to exterminate white pine blister rust in said town.

Article 18. To raise and appropriate money for other town charges.

Article 19. To see if the town will authorize the selectmen to issue prescription permits to druggists.

Article 20. To see if the town will vote to appoint a budget committee to supervise the appropriations of said town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 21. To see if the town will vote to establish one or more voting districts and additional polling places therein, as provided for by Chapter 30, Laws of 1919.

Article 22. To transact any other business proper to come before said meeting.

Given under our hands and seal this seventh day of February, 1923.

Total exclusive of exemptions		\$3,128,613 00

Report of Selectmen

To the Citizens and Taxpayers of Haverhill:—

The Selectmen submit herewith their report for the year ending January 31st, 1923. Upon the following pages will be found detailed statements.

FINANCIAL

The Town's indebtedness during the past fiscal year has been increased very slightly. Owing to the destruction of the Ranger bridge last April we have been obliged to go to the expense of \$11,000 in removing the structure from the river and planking the Railroad bridge for the use of the public and for several other items as shown in the detailed statement of that account. Had this misfortune not occurred we would have been able to have reduced the Town's indebtedness to the amount of that account.

HIGHWAYS

In accordance with vote passed at the 1922 Town Meeting, the Selectmen appointed one highway agent. The work was conducted similar to the year previous with very good success, being able to keep within the appropriations with the exception of \$256.23 which amount is due Town treasurer.

A continuance of the procedure in regard to the appointment of one Highway agent for the next year is recommended.

TRUNK LINE CONSTRUCTION

The Moosilauke Trunk Line has been completed. This completes out entire Trunk Lines that have been, so far, laid out in the Town.

BRACY LOT AT WOODSVILLE

The Bracy lot has been sold for the sum of \$300 which amount has been paid to the Town treasurer.

Respectfully submitted,

CARL M. MEADER,
ARTHUR E. DAVIS,
JONAS N. BROWN.

Selectmen.

Expense	458 80	2411 73	2870 53
Overdraft	\$000 00	\$ 117 48	\$ 117 48

STATE AID MAINTENANCE ACCOUNT

	State	Town	Total
Balance	\$191 55	\$278 71	\$470 26
Appropriation 1922	215 00	215 00	430 00
Extra	23 55	23 56	47 11
Expense	\$430 10	\$517 27	\$947 37

FEDERAL AID NO. 53 AND NO. 53B ACCOUNT

By reference to statement Federal Aid No. 53 it will be seen that on this account the State expended \$4033.74 more than was originally apportioned.

By reference to statement of Federal Aid No. 53B it will be seen that the Town expense was by labor reports \$5644.21 minus \$1560.40 payment by State to Town, or \$4083.81. This allows the town to return to its free money \$4397.89 minus \$4083.81 or \$314.08.

RECAPITULATION

\$ 4033 74	Overdraft paid by State Account F. A. 53
2091 97	Overdraft paid by State Account F. A. 53B
<hr/>	
\$ 6125 71	
4083 81	Town Payment on F. A. 53B
<hr/>	
\$10209 52	
4083 81	2-5 of Total Expense to be borne by Town
6125 71	3-5 of Total Expense to be borne by State
<hr/>	
\$10213 12	Total Expense 53B and Overdraft 53

Last spring Mr. Everett agreed to pay the town at some future date (1-5) one-fifth of their expense on 53B, by this statement you will see that this is being cared for and that on the overdraft on 53 we are paying (3-5) three-fifths of the expense.

CHAS. P. RIFORD, Division Engineer.

Road Agent's Report

GEORGE B. SILVER, Road Agent.

For month of December, 1921:

	\$71 00

AUDITORS' REPORT

To the tax-payers of the town of Haverhill:

This is to certify that we have this day examined the books and accounts of the selectmen, town treasurer, road agent, cemetery commissioners, and trustees of the trust funds for the year ending January 31, 1923. We find that the books are accurately kept and properly vouched.

The income of the trust funds has been correctly distributed and the principal in each case is intact and safely invested.

February 3, 1923.

Herbert E. Smith
Norman J. Page

Woodsville Fire District

WARRANT FOR ANNUAL MEETING, 1923

State of New Hampshire

To the inhabitants of the Woodsville Fire District in the Town of Haverhill qualified to vote in district affairs.

You are hereby notified to meet at the Woodsville Opera House, in said district on March the 30th 1923 at thirty minutes past seven o'clock in the afternoon, to act on the following matters:

1. To choose a moderator.
2. To choose a clerk.
3. To choose a treasurer.
4. To choose an auditor.
5. To choose one commissioner for the term of three years.
6. To choose one water and light commissioner for three years.
7. To hear the reports of all officers heretofore chosen and to pass any vote relating thereto.
8. To raise and appropriate such sums of money as may be necessary to meet the expenses of the district for the coming year.
9. To see what sum of money the district will raise and appropriate for the construction of sidewalks.
10. To see if the district will vote to authorize the commissioners to borrow on the credit of the district such sums of money as may be needed to defray expenses until the taxes shall be collected and turned over to the district, and to issue the notes of the district for all sums so borrowed.
11. To determine what sum of money the district will raise and appropriate for the oiling of the streets.

12. To determine what action the district wishes to take in raising money to pay off the Clark Pond note of \$5000.00.

13. To see what sum of money will be raised and what means shall be taken to retire Water and Light bonds and pay interest on said bonds.

14. To see what provisions the precinct wishes to make relative to selling ice or right to cut ice on Clark Pond.

15. To raise and appropriate such sums of money as may be needed for the Fire Department, and repairs on Central Fire Station.

16. To determine what sum of money the precinct will raise to relay a portion of the Central St. sewer.

17. To see what action the district will take relative to the salary of the Water and Light Commissioners.

18. To see what action the precinct will take relative to repairing the highway on Ammonoosuc St. abutting the creek.

19. To see what action the precinct will take in regard to changing the Water and Light rates.

20. To see what action the precinct will take regarding the furnishing of electric lights in sections of the precinct not now equipped with same.

21. To transact any other business proper to come before said meeting.

Given under our hand and seal the 10th day of February in the year of our Lord, one thousand nine hundred and twenty-three.

A. C. SAULT,
C. E. BATTIS,
W. E. GORDON,

Commissioners.

REPORT OF TREASURER WOODSVILLE FIRE DISTRICT

Commissioners.

AUDITOR'S REPORT

On February 8 I examined the books of the treasurer and commissioners of the Woodsville Fire District and found them properly kept and accurate. The treasurer's books showed a balance of \$3,459.60. There were outstanding orders to the amount of \$106.00. Notes for temporary loans to the sum of \$9,000.00 were destroyed by burning in the presence of the treasurer. Interest coupons numbered 22, 25, 26, 27, 44, 45 of water and light bonds are unpaid.

On February 15 I inspected the books of the water and light commissioners. Since October 1 the total receipts amount to \$13,061.27 and the disbursements to \$7,458.91, leaving \$5,602.36 as cash on hand. The income was derived from three sources:

Cash received from water and lights	\$4,869 92
Balance on bonds sold	7,948 67
Balance of appropriation for expense of committee, deposited by L. C. Butler	242 68
	\$13,061 27

Respectfully submitted,
NORMAN J. PAGE

ROY E. DUNKLEY, Treasurer

Annual School Report

WOODSVILLE UNION HIGH SCHOOL DISTRICT

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Woodsville High School District:—

I am presenting for your consideration my twelfth annual report.

The total registration for the current school year is 35 less than at this time last year. The number of pupils in grades I to VI is 220, in the junior high 74, and in the senior high 140, a total of 434.

Five new names appear this year in the list of teachers. The resignation of Esther Balch Mitchell as teacher of manual training and domestic science made it possible to divide this work. A graduate of New Hampshire State College and of the Boston Sloyd Training School has taken the manual training in the morning and has taught physics and chemistry in the senior high school in the afternoon. Likewise the teacher of domestic arts in the high school has given her mornings to teaching in grades VI-VIII. This arrangement has worked well and shows decided advantages over the former scheme. I am giving below the names of the teachers and the positions they occupy.

Senior High School: G. Hampton McGaw, Headmaster, French, Spanish and United States Constitutional History; Fred H. Eastman, Sub-master, Mathematics, General Science and Economics; Catherine A. Tuttle, Latin and English; M. Virginia Musk, History and English; Elva A. Buckley, Commercial Branches; Lena E. Shorey, Domestic Arts; Carroll H. Lowe, Manual Training and Science.

Junior High School: Nettie W. McCoy, Principal, Mathematics, History, Literature and B. and C. Subjects; Manola H. Cutting, French, Science, History and B. and C. Subjects.

Grades: Helen A. Franklin, VI; Mary Mitchell Mann, V; E. Mae Hastings, IV; Marjorie G. Morrison, III; Lida A. Caldon, II; Florence S. Lang, I; Alice M. Brown, Teacher of Music; L. M. B. Underhill, School Nurse.

Thus far the work of the whole system has progressed quietly but effectively like any well organized business. Nothing spectacular has been undertaken. Physical exercises have been emphasized in the grades. They vary from the rest periods in the lower grades to setting up exercises and Walter Camp's "daily dozen" in the upper rooms. They add to the spirit of contentment and tend to make the pupils more alert, physically and mentally. I had hoped to extend this training through organized plays and games on the playground but have had little success.

Toward the latter part of the fall term the grades gave in the Opera House a very successful entertainment for the purpose of purchasing a grafonola for the use of the four rooms on the first floor. The grammar grades bought one last year and it has proved very useful.

The occasional presence of the school nurse has been of great help in preventing the spread of communicable diseases, has given the teacher needed assistance in doubtful cases and has been another incentive to teacher and pupil to keep up an effective campaign for better health habits. The school nurse is becoming an important factor in our school system.

In the death of Mr. Lord late in the fall term, the schools lost a staunch and loyal friend and worker. For twenty-three years, in fact ever since the building was erected, he has been janitor and in all that time he never failed to accept the responsibility laid upon him nor to perform his duty fearlessly and conscientiously.

For the year ending June 30, 1922, the per cent of attendance in all schools was 96, a fairly satisfactory figure. The total number of tardinesses was 467 which is probably larger than it should be. The number of days lost averaged $6\frac{1}{2}$ which reduces the actual school year to less than 35 weeks. A working year of 36 weeks or 180 school days is little enough in which to accomplish successfully the work required. This result can be obtained only by making the length of our

nominal school year longer, say 38 or 40 weeks as in most cities and many villages. It would seem that we ought to "keep school" at least half the number of days in the year.

For the details of the work of the high school I refer to the appended report of Headmaster McGaw. In spite of the fine record of past years it is safe to say that the Woodsville High School has never given such effective service. Its attendance record is unexcelled among the schools of the state. Its scholarship standards are being raised. More and more of its graduates are catching a vision of the rich possibilities for growth which further study in other institutions will bring to them. I believe the citizens of Woodsville have every reason to be proud of its schools.

There were 34 pupils in the grade school who were neither absent nor tardy during the year: Audrey Brown, Drusilla Brown, Edward Briggs, Renato and Luigi Castello, Harold Day, Harold Derby, Letizia Duca, Elizabeth Davison, James Fullerton, Neil Fullerton, Vera George, Maurice Heath, Dorothy Hastings, Doris Keyser, Clarence Knox, Audrey Keyser, Lester Langford, Pauline Little, Ernest Langford, Pearl Little, Samuel McAllister, Lillian Mann, Wallace Parkhurst, George Roy, William Roy, Verne Ross, Wendell Smith, George Sault, Jeanette Stahl, Gladys Wilson, Marion Webster, Laura Welch, Geraldine Uttin.

Respectfully submitted,

NORMAN J. PAGE

REPORT OF THE HEADMASTER

To the Superintendent of Schools:—

I offer herewith my fifth annual report of the Woodsville High School, covering the year from January 27, 1922 to January 26, 1923, on which latter date ends the first half of the present school year.

Statistics

Pupils registered for current year
Boys 67; girls 73.

140

Less than last year by	16
First year class	47
Second year class	33
Third year class	29
Fourth year class (seniors)	24
Post-graduate class	5
Special class	2
Curriculum—academic	43
—general	12
—commercial	78
—special	7
Perfect attendance for the year 1921-1922	21

Tuition pupils come from eight towns—Bath 4, Benton 1, Haverhill 7, Warren 3, Wentworth 11, Marshfield, Vt. 1, Newbury 5, Ryegate 15. The total of 47 is fifteen less than last year.

The program of studies for 1922-1923 follows:—

Academic Curriculum—1st year; English, Latin, Algebra, French. 2nd year; English, Caesar, Geometry, French. 3rd year; English, Cicero, Physics, Ancient History. 4th year; English, Virgil, U. S. History, Review Mathematics, Chemistry or Economics.

General Curriculum—1st year; English, History of Civilization, (and two of) Algebra or French or Household Appliances. 2nd year; English, Geometry, (and two of) Science or French or Nursing or Commercial Geography. 3rd year; English, Physics, (and two of) Modern History or Spanish or Household Organization. 4th year; English, U. S. History, Economics, (and two of) Chemistry or Review Mathematics or Spanish or Household Management.

Commercial Curriculum—1st year; English, Bookkeeping, (and two of) Algebra or French or Household Appliances or History of Civilization. 2nd year; English, Bookkeeping, (and two of) Geometry or Science or French or Nursing or Commercial Geography. 3rd year; English, Stenography, (and two of) Physics or Household Organization or Spanish or Modern History. 4th year; English, Stenography, U. S. History, (and two of) Economics or Household Management or Chemistry or Review Mathematics or Spanish.

One of the most difficult things is to select the most suitable course of study at the beginning of high school days. Too many pupils choose what appears to be easy or attractive, and later regret that they have not had the real foundation subjects. A pupil who likes to study, and who wants to get the best development during these early years, makes no mistake in selecting the old-fashioned academic curriculum—Latin, Algebra, Geometry, French, Physics, History and the rest. For such pupils a year of bookkeeping, stenography or household arts may readily be added as an extra.

The Class of 1922 was composed of thirty-eight members, whose names follow:—Charles C. Ashley, John H. Battis, Mark W. Burnham, Harriet H. Butson, Irene R. Butson, Raymond E. Campbell, Olive M. Cook, Mildred L. Day, Mildred A. Eames, Roswell H. Evans, Althea H. Gilchrist, Ruth A. Gove, Arlene M. Henderson, James Joseph, Mildred K. Kimball, Aldea M. Lafond, C. Clifton Lawless, L. Jeannette Mann, Hazel A. McBride, Edward G. Miller, Marion A. Noyes, Norman F. Page, Samuel N. Reed, Mary E. Ross, Margaret H. Rowden, Nelson M. Roy, Thelma E. Sault, Clyde M. Shaw, Josephine M. Southard, Wallace A. Stimson, Barbara E. Switser, Ida M. Thayer, Thelma J. Thornton, Undine C. Waldron, Madeleine A. Welton, Isabelle M. Workman, Everett F. Wright, Glenn H. Youngman.

This is the largest class ever leaving W. H. S. First honor in scholarship was taken by Ruth Gove, who delivered the valedictory essay, and second honor by Harriet Butson, who gave the salutatory. The diplomas were presented by the Headmaster. This was the twenty-sixth graduation, the first having been in 1897; and the total number of graduates including the class of 1922 is two hundred seventy three. Special mention was made of the fact that Thelma Sault had been present at every session during the entire high school course, as well as throughout all the grades, making a record of perfect attendance for twelve years. John Battis announced the program; and Edward Miller, before delivering his essay on Radio Communication, gave a practical demonstration of wireless telephony by receiving concert pieces from the Westinghouse sending station in Newark, N. J.

In 1922 the Alumni Association instituted the annual presentation of a gold medal to that member of the graduating class who should be deemed worthy of such distinction because of superior attainment in scholarship, leadership in varied activities, character, individual development, and promise of usefulness in the world. In 1922 the Attainment Medal was awarded to Roswell H. Evans, of Wentworth, N. H., and was presented by Mr. Eugene Dow of the class of 1897, the first alumnus of W. H. S. The Alumni Association gave an old-fashioned lyceum in April; held its annual meeting for reception of new members in June; enjoyed a picnic day at Hall's Pond in July; and served the annual banquet during the Christmas holidays.

Woodsville is distinguished at the present time for the large number of graduates still continuing their schooling. Forty-three recent graduates are attending various institutions—W. H. S. 5; Plymouth Normal 14; New Hampshire College 6; Bay Path Institute 4; Boston University 2; Harvard University 2; Sargent's Physical Culture 2; Concord Business School 3; and Antioch College, Dartmouth, Simmons, Syracuse and Wheaton one each.

The twenty sixth annual Prize Speaking contest was held in the Opera House on March 15, 1922. Five boys and five girls participated. The training was done by Miss Margaret B. Mann, of Woodsville, a graduate of the Leland Powers School of Expression. The judges were Rev. Donald Fraser, Supt. Leonard Smith and Prin. Seward French, all of Wells River, Vt., and they awarded first prizes to Henry Trott and Barbara Howland, second prizes to Charles Greenwood and Madeline Bassett, and honorable mention to Raymond Ingraham and Margaret Eames. For some years one citizen of Woodsville has contributed half of the prize money; and the other half has been given at times by various persons interested in the school or has been taken from the admission receipts to the exhibition.

In September 1922 the plan was tried of having a preliminary session for organization on Thursday before the regular opening Monday. This worked advantageously, giving a chance to arrange studies and daily program before classes actually began. Consequently

even the very first day of school started off in routine running order.

National Education week in December was observed by a Wednesday evening session at which about a hundred persons took opportunity to see the class work in actual operation. The usual afternoon program, omitted at the regular hours, was run in the evening, and visitors went freely from class to class and to the school assembly at the close of the session.

Special reports containing a detailed statement of present progress with suggestions for improvement for each pupil in each study were sent to parents at the close of the fall term in December. These reports were intended to aid in interpreting the marks upon the regular report cards, and to substitute in part for a parent-teacher conference. The response from parents showed much interest and was altogether gratifying. Each pupil is urged to set up at home a bulletin board on which may be kept posted a copy of the daily program, a copy of the marks in studies, and various other matters, thereby serving to make a more constant and definite connection between the school and home.

The annual inspection of the school building, the class recitations, teaching, and general administration was carried out by the State Department of Education on January 8, 1923.

The enthusiasm of the orchestra has been revived by having Mr. Lowe as leader and by the addition of new members, fourteen pupils now taking part. The school is fortunate in having among its teachers one who is able to conduct this music.

The hot lunch, served during the winter term, is efficiently managed by Miss Shorey and her classes. Both high school and grade pupils are accommodated and about forty take advantage of the service.

The school paper, *The Cycle*, has entered upon its fourth year. The staff of editors and managers meets every Tuesday noon, and the teacher in charge, Miss Musk, has general supervision of their activities.

Miss Buckley coaches the girls' basketball teams, and Mr. Eastman is in charge of the boys' athletics. The girls played ten games, and they lost the state

championship by only one point; the boys won half their scheduled basketball games. In baseball fourteen games were played, W. H. S. winning eleven; and only by losing to Lancaster did the boys fail of the northern New Hampshire championship. A season ticket put on sale by the Athletic Association has been well supported by the business men of the village.

The Lyceum has been commended by the State Department of Education. A student committee, with the assistance of Miss Tuttle, has arranged the programs, which have been given every four weeks. The main features have included music, debating, songs, dramatics, travel talks, pictures of what graduates are doing, essays, current events, the school diary, the report by the critic, and social gatherings. The five hundred and seventieth meeting since the founding of the Lyceum was held near the end of January 1923.

Last February the teachers arranged a "get-better-acquainted meeting" with an afternoon program followed by supper and an informal social hour, inviting all the teachers of Woodsville and Wells River.

The chief patriotic days—Lincoln, Washington, Memorial, Constitution—were celebrated with programs given by the senior class in civics. Also, for Memorial Day the junior and senior classes engaged in a contest of essays on patriotic topics in competition for a bronze medal and certificates of proficiency offered by the National Society of Colonial Daughters. The medal was awarded to Madeline Bassett.

When the Ammonoosuc Valley Institute met here in November a large number of pupils gave willingly a day's labor and served dinner for a hundred and sixty people.

Ten boys attended the Y. M. C. A. Conference in Concord in December, and reported to the school their impressions and experiences.

Visiting speakers have addressed the school upon "Florida"; "Rome, Ancient and Modern"; "Americanization of Immigrants"; "Going to College"; "Loyalty"; "New Orleans"; "Equal Chances for Education for All Children"; and the teachers have given several other lectures illustrated by the balopticon.

A contribution of thirteen dollars was made for the portrait of Lincoln to be placed in the State House; the Junior "Prom" was held early in May; later in May the seniors produced a play, "All-of-a-Sudden Peggy", the proceeds of which are to start a fund for purchasing a radio outfit; also the seniors gave a voluntary contribution for purchasing ivy vines to be set against the school building.

One teacher is assigned to each of the four classes as general adviser, attends the class meetings, and counsels as circumstances require.

Each school activity has been financially self-supporting, and the general school treasury, which is the Lyceum, contains a balance at present of over one hundred and ten dollars. Individual class treasuries have been discontinued.

Attendance, punctuality, diligence during study periods, and a fine spirit of willingness are among our virtues; we need improvement in scholarship, more thoroughness, and better quality rather than quantity of work.

Respectfully submitted,

G. HAMPTON McGAW,

January 26, 1923.

Headmaster

SCHOOL BUDGET FOR WOODSVILLE UNION HIGH SCHOOL DISTRICT, 1923-24

Estimate:—

For teachers' salaries	\$19,171 00
For text books and supplies	1,300 00
For janitor service	1,650 00
For fuel	2,100 00
Water, light and janitor supplies	225 00
Medical inspection	200 00
Payment of debt	1,000 00
Payment of interest on debt	1,035 00
State per capita tax	764 00
Salaries of officers	80 00
Superintendent's excess salary	375 00
Repairs and new equipment	1,200 00
Insurance and other expenses of instruction	600 00
	<hr/>
Total estimate	\$29,700 00
Deducting probable tuition receipts	2,700 00
	<hr/>
Amount to be raised	\$27,000 00
The amount raised last year was \$27,014.	

Respectfully submitted,

CHARLES A. BUTSON,
DWIGHT S. STONE,
C. TABOR GATES.

	<hr/>
Total disbursements	\$43,321 00

Note of June 2, 1922 is outstanding at the savings bank for \$2,000.

Bonds No. 15 and 16, Series A, due Jan.1, 1922 have been paid and destroyed, also all coupons to bonds due to July 1, 1922 except Coupons No. 11 and 12 to Bond No. 18, and Coupon No. 14 to Bond No. 55, amounting to \$33.75 and all coupons of July 1, 1922, amounting to \$540, and there is on deposit in the Woodsville National Bank \$573.75 in the bond account to pay all these outstanding coupons.

Respectfully submitted,
L. E. DAVISON, Treasurer.

AUDITOR'S REPORT

Woodsville, N. H., June 30, 1922

I hereby certify that I have this day examined the books and accounts of the school committee and treasurer of the Woodsville Union High School District, for year ending June 30, and find same correctly cast and properly vouched. I found balance in hands of treasurer \$141.96.

I also certify that in the presence of the chairman of the school committee and the treasurer, I have this day destroyed two bonds Nos. 15 and 16 of series A, for \$500 each; also all coupons due July 1, 1922 except coupons Nos. 11 and 12 to bond 18, and coupon No. 14 to bond No. 55 amounting to \$33.75 which are outstanding.

E.R.BALL, Auditor

Report of the School Board of Haverhill

TOWN SCHOOL DISTRICT WARRANT

State of New Hampshire

To the Inhabitants of the School District of the Town of Haverhill, who are qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district, on Saturday the 31st day of March, 1923 at 10 o'clock of the forenoon to take action on the following:

Article 1. To choose a moderator for the ensuing year.

Article 3. To consider the reports of the school officers to June 30, 1922, and pass any vote pertaining thereto.

Article 2. To choose a clerk for the ensuing year.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose a member of the School Board for the ensuing three years.

Article 6. To choose an Auditor for the ensuing year.

Article 7. To see if the District will vote to raise and appropriate the sums of money for school purposes as recommended in the budget published in the Town Report.

Article 8. To see how much the District will vote to raise and appropriate for repairs and alterations of school houses.

Article 9. To see how much the District will vote to raise and appropriate for the transportation of High School Students.

Article 10. To see if the District will vote to raise and appropriate the sum of \$162.00 to defray High School Tuition of three students living in the four-corner district so-called for the present school year.

Article 11. To see if the District will vote to raise and appropriate the sum of Two Thousand Two Hundred Dollars to retire the balance due on the \$3,000.00 note given the Woodsville Guaranty Savings Bank in 1920 in connection with the repairs of the Old Court House, Haverhill, also paying the accrued interest thereon.

Article 12. To see if the District will vote to raise and appropriate a sufficient sum of money to install a new Heating Plant at Haverhill Academy and North Haverhill School.

Article 13. To see what sum of money the District will vote to raise and appropriate to pay for the services of the Superintendent, also of the School Board, Treasurer, and other officers elected at the annual school meeting.

Article 14. To see if the District will authorize the School Board to borrow money on its notes until the taxes shall be collected.

E. BLANK,
DANIEL CARR,
F. C. RUSSELL,

School Board of Haverhill.

The undersigned members of the Haverhill School Board beg leave to call the attention of the voters and tax payers to the various reports covering the activities for the past year. Special attention should be given to the annual reports of our Superintendent and of the Headmaster of Haverhill Academy.

As regards repairs and improvements at the different school houses the past year has been quite prominent. At Ladd Street School House a very strong galvanized wire fence was put up all around the play grounds. A drinking bubbler was also in-

stalled in that School House. At the Haverhill Academy building steel ceilings were installed in both grade-rooms and the walls in both rooms were re-tinted. Also all the ceilings and walls in the entry halls were white-washed and painted. The School Board has, however, been informed that the plaster work in the building is in such precarious condition that extensive repairs are recommended for the coming summer: It has been suggested that steel ceilings and steel walls would not only look more decorous, but would be also the least expensive mode of repairs in the long run.

At the East Haverhill School most of the cement work on the annex had to be re-placed, and in order to guard the School House from surface water running into the basement, cement grading was put all round the main building. There was also installed a cement walk from the flag-pole to the porch-steps of the School House. Preliminary arrangements have been made to install a water-system in that School Building.

Soon after the Fall term had commenced the School Board was confronted with a very serious problem at the North Haverhill School. For the last few years much money was expended on the water-works and last fall the water-supply gave out entirely. In order to avoid having to close the school, steps were at once taken to install a new water-system, including a new pump, the laying of new galvanized iron pipes and the building of a cement frost-proof house for the protection of the pump and motor. The cost of installing this new system reached nearly \$1,000.00.

Through the generosity of Mr. Harry K. Noyes, President of the Noyes-Buick Co., of Boston, and an Alumnus of the Class of 1888, the exterior of Alumni Hall, former Court House, was thoroughly repaired, including a new asbestos-shingle roof. The granite steps were also re-set and a concrete walk installed at the front of the Hall. The building was also painted.

The dream of many years to see this beautiful building—one of the most famous landmarks of the town—preserved for future generations, has thus been realized.

The problem of transporting the High School Students from the South and East end of the town be-

came so acute in the early part of the winter owing to the disrupted railway service, that the School Board was continuously besieged by complaining parents, and the appeal was made to the Board to see if more satisfactory arrangements to get the students to school promptly, could be made. The Board was fortunate to make a contract with Fred White of Pike to transport the students by automobile for the very reasonable sum of \$900.00 for the school year. As a consequence the students from Pike, East Haverhill and No. 6 District are enjoying a full day's schooling and it should result in attaining much higher scholarship.

For the purpose of acquainting the taxpayers with the financial conditions of the district at the present time we beg to submit a financial statement showing the approximate assets and liabilities of the district.

The School Board also desires to draw the attention of the voters and taxpayers of the district to the budget for the fiscal year from July 1, 1923 to June 30, 1924.

The retiring member of the board is Mr. Emile Blank of Pike.

Respectfully submitted,

E. BLANK,
DANIEL CARR,
F. C. RUSSELL,

School Board of Haverhill.
Haverhill, N. H., Jan. 31, 1923.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Haverhill:

I am herewith presenting for your consideration my twelfth annual report, the sixteenth in the series of district superintendents' reports.

The total number of pupils registered in the district, excluding any double enrollments, is 380. Below is given the number in each school with the name of the teacher.

Haverhill Academy—80, Justus C. Bailey, Headmaster; Edward A. Janes, Sub-Master; Carl E. Howland, Edith F. Stoughton, Edith C. Morrill, assistants; Haverhill Grammar—24, Minnie E. Morris; Haverhill Primary—33, Rosie B. Smith; Ladd Street—24, Zilla M. Rodliff; Pike Grammar—10, Joy M. Bemis; Pike Intermediate—17, Hazel M. Hardy; Pike Primary—22, Mabel Tragansa; East Haverhill Grammar—25, Callie Davis Peters; East Haverhill Primary—18, Maude M. Harris; Number Six—16, Elma A. Howard; Number Ten—10, Phoebe Webster Morse; The Center—15, Marion White Young; Brier Hill—19, Hazel Crook McDonald; North Haverhill Grammar—19, Mildred M. Foster; North Haverhill Intermediate—23, Katherine C. O'Keefe; North Haverhill Primary—31, Sadie R. Carr.

To the above list of teachers should be added the name of Ethel W. Wheeler who until the Christmas vacation taught practical arts at East Haverhill, Pike and North Haverhill. Upon her resignation the Board decided not to engage another teacher for this work this year but to use the time to improve the regular work of the unusually large eighth grades in these three schools.

It will be noted in the above list of teachers that there are only six new names. This indicates a fairly permanent teaching force and means much to the growth and efficiency of the school system. This condition is chiefly due to a more adequate salary schedule.

The attendance record for 1921-22 was not so satisfactory as for the previous year. The average attendance was only 93 per cent and the number of tardinesses increased to 851. The great majority of the school children with the aid of their parents make a very satisfactory attendance record but there are always a few children who have to be driven to school and parents who are willing to disregard the welfare of their children and defy the laws of the state by keeping their children from school without any reason. These are the small minority who spoil the record of the town.

Twenty-one pupils were neither absent nor tardy during the year: Aden Atkins, Albert Cady, Harold Cady, Winifred Clough, Albert Dargie, Thelma Hoyt,

Barbara Jeffers, Charlotte Keith, Helen Kimball, Hazel Lancaster, Nellie Lange, Winnifred McKean, Lewis Pike, Willie Prue, Beatrice Pierce, Morris Robinson, Gladys Rollins, Kenneth Tyler, Frances Wheeler, Barbara Wheeler, Earle White.

The following pupils were promoted to high school in June: Fern Andrews, Almon Atkins, Madeline Atkins, Kathleen Brown, Louise Brown, Frances Clark, Winnifred Cutting, Susie Cutting, Arthur Gay, Mildred Greenley, Muriel Hardy, Clark Ingalls, Doris Kimball, Katherine Keyes, Erland Kimball, Ethel Lange, Wayne Miller, Lucia Morrill, Helen Perry, Morris Robinson, Lottie Sargent, Beatrice White, Millard White. Of these nineteen entered Haverhill Academy.

The health of school children is being emphasized by a state wide campaign. The state allows state aided districts \$1.50 per pupil, if they engage a school nurse for the entire school year. This has been done by combining with the supervisory union just south of us. Miss Underhill has been engaged for this work and gives her whole time for ten months to this phase of school work. During the school year ending June 30, 1922, the records show that 191 cases were treated. This present year the Red Cross through its local chapters has very generously given of the funds on hand for the treatment of adenoids, tonsils and defective vision in cases where the parents were unable to bear the expense. This would seem to be a very valuable use of such funds for local purposes. In the fall a clinic for removing tonsils and adenoids was held at the Woodsville Cottage Hospital where a considerable group of children were treated at a nominal charge by local physicians.

For details of the work of Haverhill Academy I call your attention to the report of Headmaster Bailey. The attendance is the largest since its organization as a high school. There are sixteen tuition pupils. The general attitude of the student body was never better. The amount and quality of the work accomplished has noticeably improved, though there is much left to be desired. The average high school student of today does not realize that success from a scholastic point of view requires thoughtful and persistent application in

school and regular hours of outside study at home. He fails to see that unlike many laborers his pay is commensurate with the effort put forth and the results obtained. He is paid for the job and if he does not complete it in proper fashion no reward should be expected. The transportation of the students from East Haverhill and Pike by automobile has been of immense value both from the standpoint of the welfare of the children and from that of the general morale of the school. The length of the school day may now be determined by the needs of the school and not by the railway timetable. Lost and interrupted recitations and pernicious waits at stations no longer are possible except in the case of a few out of town pupils. The money cost to the town is moderate, but the value of this method of transportation is invaluable to the pupil conveyed and to the school as an organization.

The increasing number of tuition pupils from surrounding towns suggests that some arrangement for dormitory facilities might be of advantage to the school. If proper quarters could be found, it would seem that some plan combining a boarding place for teachers and pupils in charge of a competent matron might be worked out. This might offer an opportunity to the classes in domestic arts to do some valuable, practical work in their department.

The results in any school system are almost wholly dependent on the teacher. Haverhill is fortunate in having an earnest and diligent group of teachers who are working hard to promote the best interests of the schools in their care. They deserve much credit. Each year more and more are required in the way of special preparation and training in the technique of teaching. To be sure of advancement or even of keeping one's position it will be necessary to show constant growth and this result can usually be obtained only by continued professional reading and study. Even the graduates of a Normal School can profit by additional professional study. Teaching has come to be an exacting profession and makes greater and greater demands on the time and strength of its followers. One of the pleasing results of higher standards of teaching is the fact that the patrons of the schools and the community as a whole are coming to recognize the teacher

as a specialist, are giving her credit for knowing her business, and are showing appreciation of her efforts and of the results she obtains. A word of encouragement or an expression of confidence is often worth more to a teacher than an addition to her salary. Besides, she deserves it.

I feel indebted to all associated with me in the work of the year for the uniformly pleasant relations which have prevailed. It is a pleasure to work under such conditions.

Respectfully submitted,

NORMAN J. PAGE.

TREASURER'S REPORT

I submit the following report as Treasurer of Haverhill School District for the year ending June 30, 1922.

Respectfully submitted,

HENRY O. TRUE, Treasurer.

REPORT OF THE HEADMASTER OF HAVERHILL ACADEMY

To the Superintendent of Schools, Sir:—

I present herewith my fifth annual report.

The program of studies for 1922-1923 follows:

Academic Curriculum—1st year: English, Latin, Algebra, Ancient History. 2nd year: English, Latin, French, Geometry. 3rd year: English, Latin, French, Physics. 4th year: English, Latin, U. S. Constitutional History, Review Mathematics or French or Chemistry.

English Curriculum—1st year: English, Arithmetic and Bookkeeping, Ancient History, Algebra. 2nd year: English, French, Geometry, Medieval and Modern History. 3rd year: English, French, Physics, English History. 4th year: English, Chemistry, U. S. Constitutional History, Review Mathematics or French.

Domestic Arts Curriculum—1st year English, Ancient History, Household Appliances, Practical Mathematics or Latin. 2nd year: English, Nursing and Physiology, French, Medieval and Modern History or Latin. 3rd year: English, Household Organization, French, Physics or Latin. 4th year: English, U. S. Constitutional History, Household Management, Chemistry, Latin or French.

Agricultural Curriculum—1st year: English, Ancient History, Practical Mathematics, Animal Production and Shopwork. 2nd year: English, Medieval and Modern History, Plant Production and Shopwork, Geometry or French. 3rd year: English, Physics, Animal Husbandry, English History or French. 4th year: English, Chemistry, Farm Management, Rural Life Problems and Shopwork, U. S. Constitutional History.

There has been a total enrollment of eighty pupils this year, and at the present time there are seventy-three. Sixteen of these are tuition pupils—one from Benton, two from Wentworth, five from Warren, one from Rumney, one from Orford, and six from Piermont.

The graduates of 1922 were: Marguerite V. Blank, Ruth A. Childs, Josephine B. Cutting, Dora E. Lavoie, Henry M. Leonard, Frank H. Jewett, George H. Noyes, N. Evangeline Silver, Winona E. Slight, Max G. Robinson. First honor in the class went to Winona E. Slight, second honor to Max G. Robinson, third honor to Marguerite V. Blank and fourth honor to Josephine B. Cutting. One member of this class is in Keene Normal School, two are in training to be nurses, one is to enter Mt. Holyoke College next September, and the others are in various occupations.

The regular students' organizations have continued, namely: the Moosilauke Club and Athletic Association. The latter supports both basketball and baseball teams. Among other student activities there have been the Senior play, Junior promenade and several socials.

The same teachers are in the school as last year. They are organized for the purpose of setting standards and ideals for the school. One of the chief aims this year is to cooperate in requiring the proper use of English.

Memorial Day was properly observed. During Education Week members of the American Legion came to us and spoke to the school on Americanization.

One of the big features of Commencement week last June was the Alumni Day celebration. Appropriate field sports were held during the day and a banquet in the evening.

The alumni have helped in a very material way in putting Alumni Hall into shape for school use. The furnace has proved satisfactory this winter. The added scenery for the stage has been a great help, and the painting and repairing of the exterior of the building has made it one of the best halls in the north country.

The Senior class planted a tree in front of the hall last spring. The planting of a class tree should become an established custom.

The automobile transportation of pupils from Pike and East Haverhill has meant quite an economy of time this year. The pupils have approximately one

hour more of school time to say nothing of the blessing of doing away with long waits at railroad stations.

Respectfully submitted,

JUSTUS C. BAILEY

February 9, 1923.

AUDITOR'S REPORT

I have, this day, examined the accounts of the School Board and Treasurer of the Haverhill Town School District for the period from July 1, 1921 to June 30, 1922, and find them correct.

I find a cash balance at the Woodsville National Bank on June 30, 1922 for \$175.51, but in as much as I find outstanding checks Nos. 407, 722, 823, 1240, 1256, 1257, 1260, 1268, 1272, 1276, 1279, 1280, 1288, 1290, 1292, 1297, 1299, 1301, 1302, 1303, 1304, and 1305 totaling \$450.20, the books of the school board and treasurer show an overdraft of \$274.69. of the school board and treasurer show an overdraft of \$274.69.

Three notes (temporary loans) amounting to \$6,500.00 were destroyed by burning in the presence of the school board.

There are outstanding two notes amounting to \$4,500.00 of which \$2,500.00 will mature Feb. 15, 1923.

M. A. MEADER, Auditor

Haverhill, N. H., July 11, 1922.

APPROXIMATE FINANCIAL CONDITION OF DISTRICT AS OF FEBRUARY 1, 1923

ASSETS

Cash in hands of treasurer	\$16,301 95	
Due from Town of Haverhill on account of Dog Licenses	183 00	
Due from Alumni Association for expense of installing furnace at Alumni Hall, and expense of scraping floor in Alumni Hall, about	460 00

VITAL STATISTICS

To the Selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring "clerks of towns and cities to furnish a transcript of births, marriages and deaths to the municipal officers for publication in the annual reports," I submit the following Vital Statistics:

I hereby certify that the following return is correct according to the best of my knowledge and belief.

A. F. KIMBALL, Town Clerk

Births Registered in the Town of Haverhill, N. H., for the year ending December 31, 1922.
